EVALUATOR \_\_\_\_\_

## DOGS-East – Wilderness Cadaver Evaluation (5 Acre)

<b>HANDLER SKILLS</b>		PASS	FAIL
*1.	Handler arrived on time and had appropriate gear to search.	P	F
2.	Handler conducted an appropriate interview based on scenario.	P	F
3.	Handler can describe dog's alert and indication.	P	F
4.	Handler outlined an effective search strategy based on the search area, wind conditions, time of day, clues and the scenario.	P	F
5.	Handler carried out described search strategy or made appropriate changes based on changing conditions/clues found.	P	F
6.	Handler demonstrated the ability to communicate using the radio.	P	F
7.	Handler demonstrated the ability to land navigate using map and compass.	P	F
8.	Handler marked on his map his route of travel, wind direction, alerts, clues and scent source location (if applicable).	P	F
9.	Handler was alert to visual clues.	P	F
*10.	Handler maintained control of his dog.	P	F
11.	Handler recognized and articulated his dog's alert on the scent source.	P	F
12.	Handler was able to differentiate between alerts on animals and scent source.	P	F
*13.	Handler adhered to guidelines regarding crime scene preservation.	P	F
14.	Handler gave a reasonable POD and debriefing.	P	F
<b>DOG SKILLS</b>		PASS	FAIL
1.	Dog was focused and actively searching, i.e., moved out in front of or away from handler and did not stay consistently behind or close to handler.	P	F
2.	Dog continued to search despite common distractions associated with the search, e.g., livestock, wildlife, noise (brief interest is permissible as long as it did not interfere with the orderly conduct of the search).	P	F
3.	Dog attempted to follow up his alerts.	P	F
*4.	Dog located and approached the scent source.	P	F
*5.	After finding the scent source, dog indicated at the scent source or returned directly to handler and indicated.	P	F
*6.	For teams with refinds, dog took handler directly back to the scent source without guidance or excessive urging from the handler.	P	F
*7.	Dog did not unduly disturb the crime scene/scent source.	P	F
8.	Dog responded well to commands from handler.	P	F
<b>TEAM SKILLS</b>		PASS	FAIL
*1.	The dog team covered the area effectively.	P	F
*2.	The dog and handler made an effective team.	P	F
